Leadership: Mission Region overseen by a Dean (elected by the Atlantic Mission Region in Convocation) with four (4) Assistant Deans each responsible for a Mission District.

An Atlantic Mission Region Council made up of:

- Dean
- Assistant Deans
- One elected Lay Leader from each Mission District

Finances:

A single Mid-Atlantic Mission Region Treasurer and financial accounts for congregational benevolent support to be received, and fund disbursement for mission, events/meetings, Dean expenses, potential Assistant Dean expenses, and Grants to individuals and congregations.

Note the issue of expense reimbursement for not only a Dean but potentially four (4) Assistant Deans to be fleshed out in a final draft of this plan approved at Atlantic Mission Region Convocation.

Resources and Outreach:

Renewal and Discipleship Team (RDT) in process of re-visioning and reorganization with a broader membership.

Shared or individual Mission District PCAT Team(s) based on need and ability to recruit and train sufficient volunteers.

Continued development of the Mission Training & Support Center (MTSC) as a shared \ outreach of the Atlantic Mission Region for our Mission Districts, and planned as partnership with Mid-Northeast Mission District as well. Later expanding to serve the NALC as a whole.

Fellowship, Equipping the Saints, and “Business” Function

An annual overnight Atlantic Mission Region Convocation (October).

Annual half-day/one-day Mission District Convocations prior to Annual Atlantic Mission Region Convocation.

A single Annual Atlantic Mission Region Women’s Conference or multiple. Note this is beginning in the AMD this October (2018) attached to the overnight Annual AMR Convocation as a Friday morning event prior to the Friday lunch opening of the full Convocation but is envisioned to become an independent and potentially one day event.

A one day Atlantic Mission Region Theological Conference. Also planned to begin in the AMD Spring/Fall 2019.
